Keith,

I have reviewed your proposal with the necessary parties. At this time, CVS does not want to sign the street closing form. At this time, we are taking a neutral stand on the closing of Peachtree Street for this event.

Hello Brenda,

Were you able to get the form I gave you in front of the right person for approval within CVS? Again, this is for the Midtown Festival of the Arts taking place the last weekend of Sept. 2010. I have attached another form in case you need it. A Faxed copy can also be sent to me at 404-733-5909. I apologize for the rush, however we would like to have it returned by this weekend if possible. If already sent in, please disregard.

Respectfully,
Keith Hobbs, Director
