

PROJECT FACT SHEET

5th Street NE Resurfacing and Restriping

October 2022

Project Description

The City of Atlanta Department of Transportation (ATL DOT) is designing safety improvements for 5th Street NE, between Myrtle Street NE and Charles Allen Drive NE. Projected to begin in Spring 2023, planned improvements include resurfacing and restriping to formalize on-street parking and create a neighborhood greenway. This project will upgrade road surface condition, safety, and multimodal connectivity.

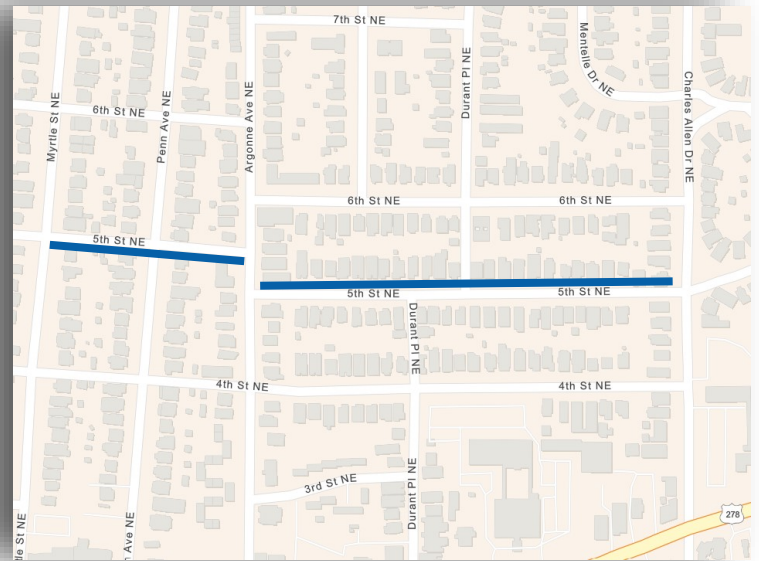

Location

5th Street NE, between Myrtle Street NE and Charles Allen Drive NE

Schedule

Project construction is anticipated to begin between April and December of 2023, weather permitting.

Next Steps

- ⇒ Impacted property owners within the project limits will be notified prior to start of resurfacing and lane restriping.
- ⇒ ATL DOT will host a public meeting on November 17, 2022 from 5:30 PM—6:30 PM to share plans for the 5th Street Resurfacing and Restriping project. Join the zoom meeting here: <https://atlantaga.gov.zoom.us/j/83531247904>.
- ⇒ The meeting begins a 30-day comment period on the proposed improvements. Email comments or questions to ATL DOT@AtlantaGa.gov by December 17, 2022. Please reference the “5th Street Restriping” project in the subject line of the email.
- ⇒ Details about this project are available on the ATL DOT website at: <https://atldot.atlantaga.gov/projects/2021-lmiq-resurfacing>.
